### **Career History**

Fatima Gouveia is a Portuguese Economist, post-graduated in taxation, that has been working for the past 32 years with an international clientele from all parts of Europe and outside Europe, and in the last 23 years focused on tax issues.

She is a Partner at Ecovis Comark, Lda, which provides services regarding VAT registration and VAT compliance both related with local and cross-border operations. The company also comprises accounting, payroll, HR, and corporate tax department services.

Fatima Gouveia has been an active member of the IVA Board in the last 11 years and has made several presentations regarding IVA issues either at the IVA meetings and in other international tax forums. She has also been involved in Lobbying activities on behalf of the IVA and on the marketing activities of the association, including the organization of the IVA meetings, contacting VAT Authorities, and promoting the International VAT Association.

**Hobbys:** Traveling, Reading, Sports, Photography
